

Your files. Your cloud. Enterprise-grade storage & sync — without the per-GB overage taxes.

CORE CAPABILITIES

Sync & Access Everywhere

- ✓ Desktop sync clients for Windows, macOS & Linux
- ✓ Native iOS & Android apps with offline access
- ✓ Web browser access — any device, any location
- ✓ WebDAV mount as a network drive

Share & Collaborate

- ✓ Secure file & folder sharing (internal and external)
- ✓ Password-protected & expiring share links
- ✓ Real-time comments, tags & activity feeds
- ✓ Collaborative document editing (Collabora Office)

Security & Compliance

- ✓ End-to-end encryption at rest and in transit
- ✓ Two-factor authentication (TOTP, FIDO2, SSO)
- ✓ Full audit log & compliance reporting
- ✓ HIPAA, GDPR, SOC 2 ready configuration

Enterprise Integration

- ✓ Active Directory / LDAP single sign-on
- ✓ Microsoft Teams & SharePoint connector
- ✓ S3, Azure Blob, Google Cloud Storage backends
- ✓ REST API & webhook automation

- Go Live** — Full training, onboarding & 24/7 Technijian support

PRICING — PICK YOUR TEAM SIZE

SMALL TEAM	GROWING	MID-MARKET	ENTERPRISE
\$100 /mo 10 users · 1 TB	\$275 /mo 25 users · 3 TB	\$500 /mo 50 users · 5 TB	\$1,000 /mo 100 users · 10 TB

Pricing = **\$5/user** + **\$50/TB** per month — mix & match. **Annual:** save 17%. **All plans:** every feature included, no upsells.

WHY TECHNIJIAN MY DISK

- **Transparent pricing:** \$5/user + \$50/TB — no per-seat feature tax, no overage
- **Every feature included:** E2EE, SSO, audit logs, HIPAA-ready — no upsells
- **Open-core platform:** Powered by Nextcloud — auditable, no vendor lock-in
- **Technijian managed:** We handle patching, backups, upgrades & 24/7 monitoring
- **US-based infrastructure:** Data stays in Irvine, CA — SOC 2 Type II controls
- **Compliance ready:** HIPAA BAA, GDPR DPA & SOC 2 configuration on every plan
- **White-glove migration:** We move your data from Box, Dropbox, SharePoint free

PLATFORM ACCESS — ALL DEVICES INCLUDED

Windows DESKTOP Native sync & drive mount	macOS DESKTOP Finder integration	Linux DESKTOP CLI & GUI sync client
iOS MOBILE Offline & Camera Upload	Android MOBILE Auto-sync & offline	Browser WEB Full access, no install

SECURITY ARCHITECTURE

E2E Encryption AES-256 at rest, TLS 1.3 in transit, client-side optional	2FA / SSO TOTP, FIDO2 keys, SAML/OIDC enterprise SSO
Audit Logs Every file access, share & login logged for compliance	Versioning 30-day file history & recycle bin, configurable retention

MY DISK VS. THE MAJORS

- **vs. Box Business+:** Same features at ~\$5/user vs. \$27.50/user — 82% less
- **vs. Dropbox Adv:** Pay-per-unit, not per-seat; keep storage separate from user cost
- **vs. Google Workspace:** Open source, no forced Google account, better HIPAA story
- **vs. OneDrive/SharePoint:** No M365 E3/E5 dependency; simpler admin & sharing

ANNUAL SAVINGS AT 25 USERS + 2 TB

vs. Box Business+ \$5,550 \$27.50/user seats	vs. Dropbox Adv \$4,500 \$24/user seats	vs. Google WS Plus \$2,700 \$18/user seats
---	--	---

My Disk at 25u + 2 TB = \$225/mo (\$2,700/yr) vs. Box Business+ (\$27.50×25 = \$8,250/yr); Dropbox Business Advanced (\$24×25 = \$7,200/yr); Google Workspace Business Plus (\$18×25 = \$5,400/yr). April 2026 list pricing.
