Performance Marketing Services
Powered by Google Ads, Meta/Facebook Ads & AI Video Content

What We Offer

A comprehensive, data-driven performance marketing strategy designed to increase engagement, conversions, and return on ad spend (ROAS). We manage every aspect of your advertising campaigns—from creative production to optimization and performance reporting.

Key Features & Benefits

Feature	Benefit
Google Ads & Meta Ads Management	Reach your target audience across search, display, and social platforms.
AI-Powered Video Creation	Up to 2 high-converting videos per month using your media and AI tools.
Geofencing & Store Location Targeting	Deliver ads to local audiences near your business locations.
Google Hotel Ads Integration	Attract high-intent travelers through Google's hotel ad network.
Meta Search Management	Improve visibility and booking rates across multiple travel platforms.
Weekly Campaign Optimization	Continuous performance improvement to drive better results.
Monthly Reporting & Strategy Reviews	Transparent dashboards and insights to guide decisions.

Monthly Deliverables

Deliverable	Frequency
Ad Campaign Monitoring & Adjustments	Weekly
Performance Analytics Reporting	Monthly
AI-Enhanced Video Ads	2 per Month
Keyword & Competitor Insights	Ongoing
Hotel Ads & Meta Search Updates	Monthly
