My SEO Overview

We offer comprehensive SEO services to meet your business needs and drive growth. All plans require a 12-month commitment and unlimited monthly service hours, ensuring consistent support and results.

1. Website Design and Hosting: $500 a Month

Description: Our website design service ensures your online presence is visually appealing and highly functional. Additionally, we provide hosting for two WordPress sites, one for development and one for production, with 100GB of storage and daily backups.

Benefits:

- **Custom Design:** Tailored to your brand's identity and goals.
- **Responsive Design:** Optimized for all devices, ensuring a seamless user experience.
- **SEO-friendly:** Built with search engine optimization in mind to enhance visibility.
- **User Experience:** Focus on easy navigation and engaging layout to retain visitors.
- **Ongoing Support:** Regular updates and maintenance to keep your website current and secure.
- **Website Hosting:** Reliable hosting for two WordPress sites, one for development and one for production.
- **Storage and Backups:** 100GB of storage and daily backups to ensure your data is secure and recoverable.

2. SEO Optimization: $750 a Month (Includes Website Design)

Description: Our SEO optimization service aims to improve your website's ranking on search engines like Google, driving organic traffic to your site.

Benefits:

- **Keyword Research:** Identifying the most effective keywords for your industry.
- **On-page SEO:** Optimizing content, meta tags, and images for better search engine visibility.
- **Off-page SEO:** Building high-quality backlinks to improve your site's authority.
- **Analytics and Reporting:** Regular reports to track progress and adjust strategies.
- **Competitive Analysis:** Monitoring competitors to stay ahead in the search rankings.

3. Blogs for 5 Keywords: $1000 a Month (Includes SEO Optimization)

Description: Our blog writing service creates engaging, keyword-rich content tailored to your business needs.

Benefits:

- **Keyword-focused Content:** Writing blogs around five strategic keywords to boost SEO.
- **Engaging Writing:** Crafting informative and engaging articles to attract and retain readers.
- **Content Strategy:** Develop a content calendar to ensure consistent posting.
- **Expertise:** Leveraging industry knowledge to provide valuable insights to your audience.
- **Promotion:** Sharing blogs across various channels to increase visibility.

4. Videos for Blogs: $1250 a Month (Includes Blogs for 5 keywords)

Description: Enhance your blog content with professionally produced videos that captivate and inform your audience.

Benefits:

- **Professional Production:** High-quality video creation tailored to your blog topics.
- **Engagement Boost:** Videos increase viewer engagement and time spent on your site.
- **SEO Benefits:** Videos help improve your site's search engine ranking.
- **Multimedia Content:** Combining written and visual content for a richer user experience.
- **Distribution:** Sharing videos on multiple platforms to reach a wider audience.

5. Topical Viral Videos: $1500 a Month (Includes Videos for Blogs)

Description: Create impactful, shareable videos on trending topics to boost your brand's visibility and engagement.

Benefits:

- **Trend Analysis:** Identifying and leveraging current trends for maximum impact.
- **Creative Concepts:** Developing unique, attention-grabbing video ideas.
- **High Production Quality:** Ensuring videos are professionally produced and edited.
- **Viral Potential:** Crafting content designed to be widely shared across social media.
- **Brand Awareness:** Increasing your brand's reach and visibility through viral content.

6. Backlinking for Content and PR Releases

Content Syndication - $200 per Month

Monthly activities include:

- Distribution to 250+ websites
- Coverage in media outlets and news channels
- Enhanced authority of backlinks
- Detailed distribution report
- Use of premium syndication outlets
- 100% safe second-tier link building
- Inclusion of canonical and original credit links

PR Releases - $150 per Month

(Published Quarterly) Features include:

- 300+ live placements
- Pre-approved content prior to publishing
- 500+ word written release
- 3 body links and 1 bio link
- Placements on FOX, ABC, NBC affiliates, and digitaljournal.com (DR:87 & DA:88)
- Comprehensive submission report
- Instant online exposure
- Ensures natural anchor optimization

6. AI Search Optimization - $200 a month

- **Optimize for AI Search Results:**
  Structure and tag your content so AI search engines can find, understand, and recommend your business.
- **Featured Snippet Targeting:**
  Craft content to capture "zero-click" answers and be quoted in AI-generated responses.
- **Semantic SEO & Topic Authority:**
  Build out content clusters that demonstrate expertise, increasing your odds of being cited by AI search bots.
- **Technical SEO for AI Readability:**
  Clean up site architecture, schema markup, and page speed—critical for AI parsing.
- **Brand Mentions & Entity Optimization:**
  Increase your brand visibility so AI associates your business with key industry topics and questions.
- **AI-Driven Keyword & Topic Research:**
  Identify new search opportunities based on trending AI queries, not just old-school keywords.
- **Competitor Gap Analysis:**
  See where competitors are winning in AI search—and go after those gaps.
- **Content Refreshes for AI Indexing:**
  Update and enhance existing pages so they get pulled into AI search results.
- **Clear, Actionable Reporting:**
  Transparent reports tracking your site's performance in AI search engines—see real progress, not vanity metrics.

Digital Marketing Management Program

1) One-Time Setup (per brand) — $100

What you get

- Clean account structure (Google Ads + Meta Ads)
- Conversion tracking for ads (GA4 events, Pixels), UTMs & naming standards
- Brand-safety / negative keyword lists
- Initial ad set (copy + light creative variants from existing assets)
- Launch QA & baseline dashboards

---

2) Monthly Service Tiers (per brand)

Media spend not included. Month-to-month; 30-day cancellation.

Tier 1 — Essential (lean coverage): $100/mo

Use when: small budgets, one location/offer, need coverage + ROI proof.
Includes

- 1–2 core campaigns/platform (e.g., Brand + Non-Brand or Local PMAX + Remarketing)
- Weekly pacing & optimizations (bids, negatives/queries, placements)
- Basic retargeting audiences
- 1 creative/copy refresh per month (from existing assets)
- Monthly KPI summary with next steps

Tier 2 — Standard (recommended): $200/mo

Use when: moderate budgets, full-funnel demand capture on **Google + Meta**.
Includes

- Google: Brand, Non-Brand/Intent, PMAX or Search+Maps, Remarketing
- Meta: Prospecting, Engagement, Remarketing/Lookalikes
- Bi-weekly experiments (audience splits, creatives, RSAs/placements)
- 2–3 creative/copy refreshes per month; day-parting & budget reallocation
- Monthly insights report + next-month testing roadmap

Tier 3 — Aggressive (growth/peak): $300/mo

Use when: higher budgets, multiple offers/locations, fast iteration.
Includes

- Theme-based multi-campaign structure (by product/offer/location/lifecycle)
- Weekly creative testing cadence; first-party audience builds
- Advanced optimization (geo-rings, day-parting, device splits, incrementality checks)
- Weekly pulse + monthly deep-dive (campaign P&L, cohort/lead-to-sale)

3) Add-Ons & Multipliers (flat pricing)

- Extra platforms beyond Google+Meta (LinkedIn, TikTok, YouTube, Display): **+$100/mo each**
- Additional locations (beyond 1): **+$100/mo per location**
- High creative velocity (net-new ad assets weekly): **+$100/mo**
- Regulated/compliance workflows (health/finance/legal approvals): **+$100/mo**
- Advanced attribution (offline conversions/CRM/POS sync): **+$100/mo**

Quick sizing rule:
Price = Base Tier + ($100 × extra platforms) + ($100 × extra locations) + ($100 if high creative velocity) + ($100 if compliance) + ($100 if advanced attribution).

---

4) KPIs & Guardrails

Primary KPIs: Cost per Lead/Order, ROAS, Qualified Lead Rate or Add-to-Cart→Purchase.
Secondary: CTR, CVR, CAC trend, Impression Share (Search), Frequency (Meta), creative fatigue.
Guardrails: brand-safety lists, frequency caps, negative keywords, offer approval flow.

---

5) What's Excluded (handled by My SEO or other services)

- SEO (keyword research, on-page/off-page), blogs, long-form content
- Organic social calendars/community management
- Email/SMS program management
- Landing page design/builds beyond minor tweaks
- Asset production (photo/video shoots), PR, influencer contracting

---

6) Onboarding Checklist (Client Provides)

- Ad account access (Google/Meta), GA4/Tag Manager, site/CMS access for conversion tags
- Approved offers & promo calendar; brand assets (logo, fonts, image/video library)
- CRM/POS integration details if offline conversions are needed

---

7) Who This Fits

- SMBs that need accountable paid traffic fast, while SEO ramps
- Multi-location brands needing tight geo control
- Seasonal businesses pushing peak-period demand
