

AI EMAIL SECURITY · POWERED BY INKY

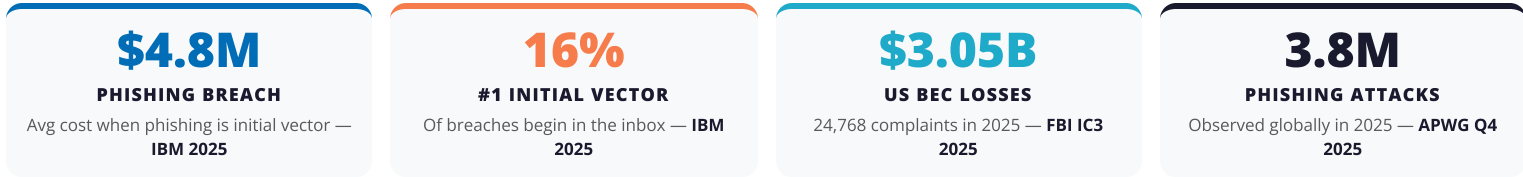

My AntiSpam

Stop phishing before it stops your business — with the email security platform that sees what attackers see.

\$4.75 /user/mo
Every INKY feature included.
Annual \$3.94/user (save 17%) · 30-day trial

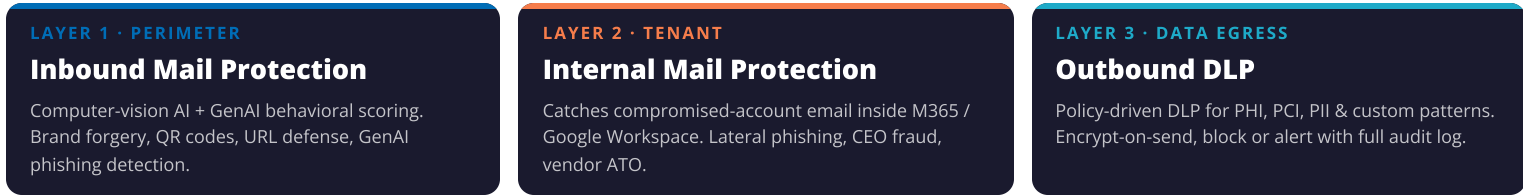

THE PHISHING PROBLEM — IN 4 NUMBERS

60% of breaches involve a human. Email is the front door.

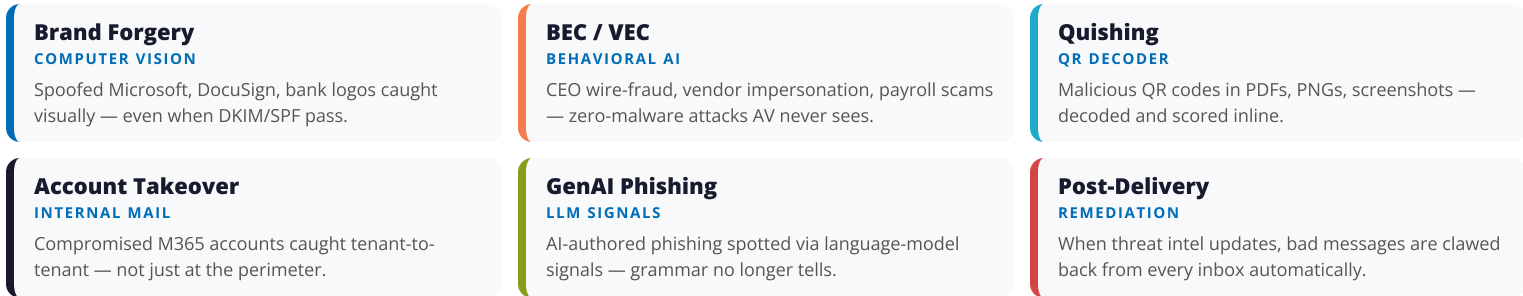

THE SOLUTION — 3 LAYERS OF DEFENSE, 1 FLAT PRICE

Most gateways protect inbound only. INKY protects all three.

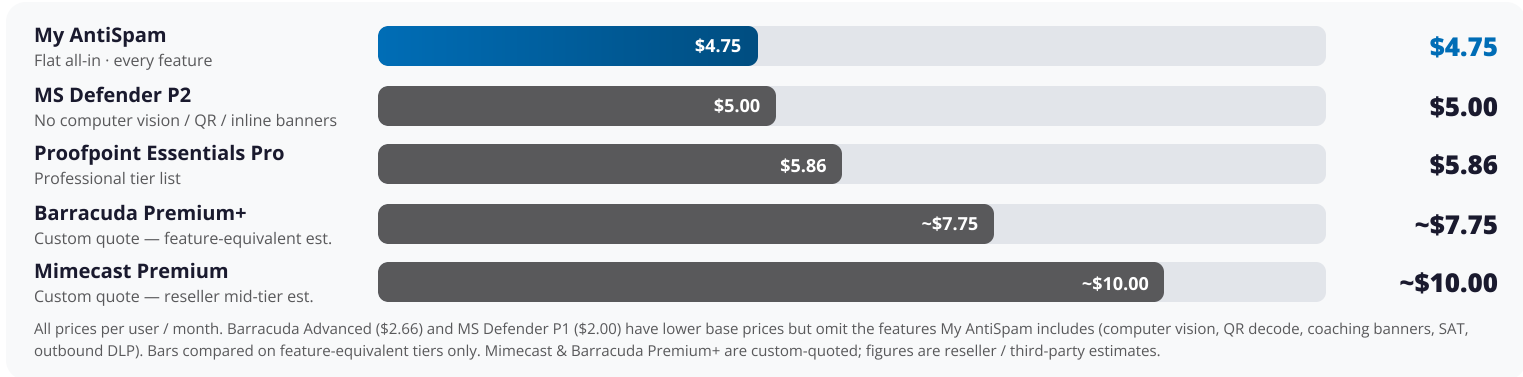

DETECTION METHODS — WHAT KEYWORD FILTERS MISS

INKY scores what a message looks like, behaves like, and sounds like.

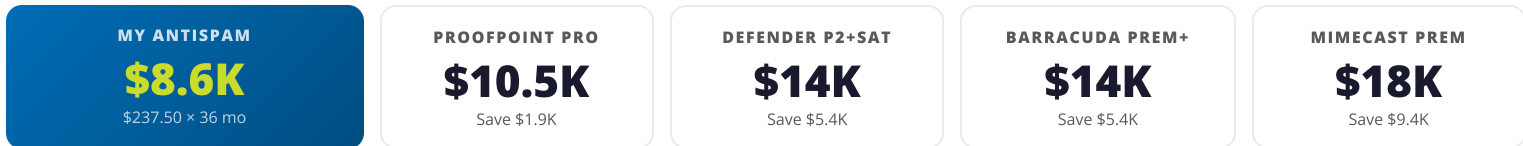

FEATURE-EQUIVALENT PRICE COMPARISON — APRIL 2026

Same protection level. My AntiSpam is the cheapest.

3-YEAR TOTAL COST OF OWNERSHIP · 50 USERS

Same protection. Thousands less.

Your Inbox. Your Business. Our Defense.

Run a 30-day trial alongside your current gateway — no MX change, no credit card. See what's getting through.
