RE: [Subject of letter]

Dear [Recipient Name],

[Opening paragraph. State the purpose of the letter clearly and directly. Reference any prior conversations, proposals, or agreements so the recipient can place this letter in context immediately.]

[Body paragraph. Provide supporting details, key information, or value propositions. Keep paragraphs concise — 2 to 3 sentences. Use plain English over jargon, and lead with what the reader needs to know.]

[Closing paragraph. Summarise the key takeaway and provide a clear next step. Include a call to action or state what will happen next, by when, and who will own it.]

Sincerely,

[Sender Name]
