

Fractional Compliance Leadership — senior CCO / CISO expertise without the \$200K-300K full-time hire.

FRACTIONAL LEADERSHIP CAPABILITIES

Compliance Program Leadership

- ✓ Framework strategy & multi-year roadmap
- ✓ Annual roadmap with quarterly milestones
- ✓ Compliance committee participation & chairing
- ✓ Executive & board-level reporting

Risk Management

- ✓ Annual enterprise risk assessments
- ✓ Vendor & third-party risk management
- ✓ Risk register ownership & remediation tracking
- ✓ Board-level risk reporting & appetite reviews

Audit & Assessment Oversight

- ✓ Audit prep, planning & readiness validation
- ✓ Auditor relationship & firm management
- ✓ Gap remediation oversight with owner accountability
- ✓ Evidence collection governance & QA

Incident & Crisis Leadership

- ✓ Incident response command & war-room leadership
- ✓ Breach notification decisions & legal coordination
- ✓ Regulator communications (OCR, state AGs, DoD)
- ✓ Tabletop exercise design & facilitation

WHEN YOU NEED A VCCO / VCISO

- Cost-Constrained Leadership** — Need senior compliance leadership but can't afford a \$200K-300K full-time hire
- First-Time Audit** — Pursuing your first SOC 2, HIPAA, or CMMC audit and need an experienced captain
- Post-Breach Stabilization** — Need rapid expertise to stabilize, remediate, and restore trust
- Program Reset** — Compliance program has drifted and needs strategic re-alignment

WHAT'S INCLUDED (MONTHLY RETAINER)

- **Direct Senior Engagement:** 8-16 hrs/month of Ravi Jain (Founder & CEO) or designated senior compliance lead
- **Full Tool Stack Access:** Passportal, Network Detective, Pentest-Tools, Teramind, Veeam included
- **Policy Library + Templates:** Multi-framework policy library & control templates ready to deploy
- **Executive Reporting:** Quarterly executive reports + board briefing support & deck preparation
- **Incident Response On-Call:** 24/7 escalation for active incidents during retainer period

WHY TECHNIJIAN VCCO / VCISO

- **25+ Years Experience:** IT operations + compliance expertise across regulated industries
- **Multi-Framework Veteran:** Not single-framework specialists — we navigate them all
- **Tools Included:** Full toolstack access, not just advisory hours
- **Nexus Migration Path:** Future Nexus platform migration included when it launches
- **U.S.-Based:** Orange County-headquartered, U.S. team, no offshore handoffs
