

ThriveWell Schools

AI Growth Blueprint

Executive Summary

Scaling Restorative Justice & Trauma-Informed Excellence
Across California's K-12 School Districts

Prepared for Dr. Jennifer Lynn-Whaley, PhD | 2026-06-08

THE MOMENT

California's Historic Funding Window

\$8B

CA Wellness Investment
(CYBHI + CCSPP)

70%

Behavioral Referral Drop
Acquired CA Middle School

53%

Teacher Burnout Rate
RAND 2025

37%

Schools Without Formal
SEL Curriculum

California has committed \$8 billion to children's behavioral health and school climate — the largest investment window in state history. Districts are receiving discretionary block grants, LCFF increases, and Title IV allocations earmarked for exactly the kind of trauma-informed, restorative justice implementation that ThriveWell delivers.

At the same time, teacher burnout is at crisis levels (53% report burnout — student behavior management is the #1 driver). Counselors are overwhelmed. The school-to-prison pipeline is under legislative scrutiny. And federal grant cuts are accelerating district urgency to spend state dollars now.

ThriveWell's Position

No competitor holds the combination: Restorative Justice + Trauma-Informed Practice + School-to-Prison Pipeline Prevention + PhD-backed research credibility + implementation coaching that stays. The question is not whether this work is needed — it is. The question is how fast ThriveWell can reach the districts that most need it.

THREE MOVES

The ThriveWell AI Growth Engine

Motion	What It Does	Service
Get Found	Rank for "trauma-informed professional development California," optimize for AI-generated search answers, amplify Jennifer's "Neuroscience Behind Misbehavior" research into inbound district conversations	My SEO — Education Authority

Motion	What It Does	Service
Win Districts	Monitor named-account triggers (CYBHI grants, new superintendents, CA Dashboard flags); match ThriveWell to open grants; systematize outcome data that wins the next contract	My AI Lead Gen + Grant AI
Scale & Serve	Deliver Strong Beginnings, Trauma Foundations, and Staff Resilience virtually; remove Jennifer's geographic ceiling; give district leaders the data dashboard that renews contracts	My Dev — ThriveWell Platform

THRIVEWELL AI GROWTH ENGINE — THREE MOTIONS

Technijan services mapped to ThriveWell district acquisition and delivery capacity

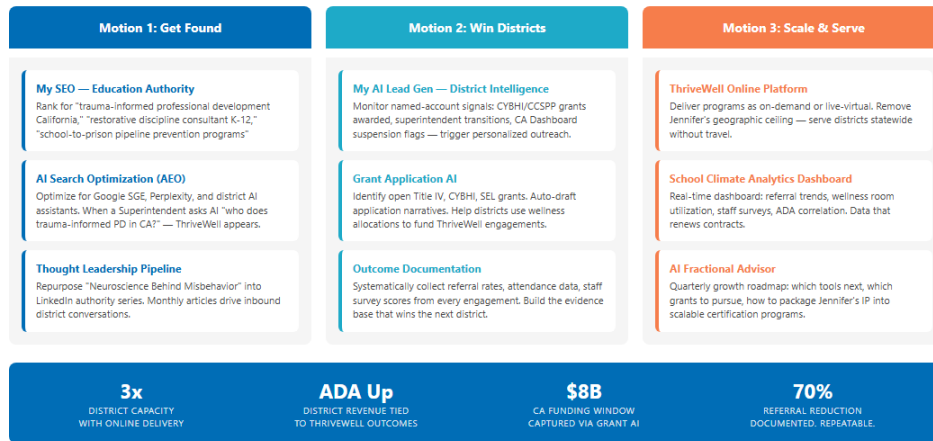

Figure 1: Three-motion AI growth engine — Get Found, Win Districts, Scale & Serve

THE INVESTMENT

Start at Entry — Expand as Growth Confirms

Phase	Services	Y1 Investment	Expected ROI
Entry (Phase 1)	My SEO Authority + My AI Workshop + My AI Fractional Advisor Starter	\$34,988	1.7x–5.1x
Full Engine (Phase 2)	Adds: My AI Lead Gen Pro + Advisor upgrade + My Dev Platform Build + Managed Services	\$135,576	2.7x–5.3x+

The Entry Case Makes Itself

At \$34,988 for Year 1, a single new district training and coaching contract recovers the investment. The expected case — 2 to 3 new district engagements over 12 months of SEO authority-building and account intelligence — is a 3.4× to 5.1× return. Contract values shown are illustrative; ThriveWell's actual pricing determines the precise multiple.

THE ROADMAP

90-Day Foundation → 180-Day Acceleration → 365-Day Scale

THRIVEWELL AI GROWTH ROADMAP

90-Day Foundation → 180-Day Acceleration → 365-Day Scale

Days 1–90 Foundation	Days 91–180 Acceleration	Days 181–365 Scale

Days 181–365 Scale	ThriveWell Platform live + School Climate Dashboard + 10–15 district targets + Certification program design	5–12 active district contracts. Online revenue stream launched.

START THIS WEEK — NO BUDGET REQUIRED

Six Quick Wins Before Any Contract Is Signed

#	Action	Impact
1	Add the 70% referral reduction outcome prominently to the homepage	Single sentence that changes conversion rate for every visitor
2	Publish the Park Middle School case study (600 words) on website, Substack, LinkedIn	Organic ranking for "trauma-informed school results California" within 60 days
3	LinkedIn series: repurpose "Neuroscience Behind Misbehavior" paper into 4 posts	Reaches Jennifer's 464+ education-professional connections; positions as thought leader
4	Submit one ACSA or CDE conference speaking proposal	"Breaking the School-to-Prison Pipeline" session — direct access to superintendent buyers
5	Add qualifying intake questions to the free consultation form	Triples information quality from first contact; better prepared discovery calls
6	Claim a Google Business Profile for ThriveWell Schools in Berkeley, CA	Local SEO anchor; enables Google reviews; surfaces in K-12 consultant searches

What Happens Next

1. Review this summary and identify any corrections or clarifications.
2. Schedule a 30-minute call with Technijian to walk through the three motions and calibrate the investment.
3. Technijian scopes the entry package within 3 business days of the call.
4. My AI Executive Workshop — Day 1 — maps ThriveWell's full AI growth opportunity.
